

LEGALWRITE

For Windows

YOUR LAWYER IN A BOX.

LegalWrite lets you produce your own valid legal letters and agreements instantly without incurring the high costs of legal fees.

Running a business demands a range of different skills. LegalWrite assists in simplifying legal matters by providing you with an extensive range of standard legal documents that allow you to produce valid legal letters and agreements without incurring the high cost of legal fees. It's even better than having a 24-hour attorney!

LegalWrite for Windows has been prepared and developed by Fluxmans attorneys, one of South Africa's leading law firms, and Softline Pastel. It is a multifaceted program which can be used to create customised legal documents. You can access professional, legally binding documents which have the look and feel of a lawyer's touch, at a fraction of the cost.

LegalWrite is the quickest way to clearly communicate your intentions and business needs in writing. It consists of standard legal documents, many of which are commonly encountered on a day-to-day basis, including:
